STOCKHOLM (Sweden)

SKT01 - CITY TOUR, VASA MUSEUM AND ROYAL PALACE (approximate 4 hours)

Leave the port for a fascinating sightseeing tour of Stockholm, known as the “Venice of the North”. We will take in the National Museum, the Royal Theatre and the Grand Hotel. Enjoy a guided tour of the Vasa Museum, which hosts the famous “Vasa” ship, a Swedish warship that was sunk in 1628. We will visit some of the rooms of the Baroque-style Royal Palace and take a short walk through Stockholm’s historic centre. Proceed to Fjällgatan for great views over the city centre.

Note : the visit to the Royal Palace can be changed / limited to some rooms in case of official visits on the day of call even with no advice. This tour includes walking on cobblestone streets and there are steps in the Royal Palace so it is not advised to Guests experiencing mobility problems or in a wheelchair.

SKT02 - CANAL CRUISE (approximate 2 hours)

Water, parks and woodlands make up almost one third of Stockholm's surface area, and water plays an important part in city life. Our cruise starts with a short walk to the pier where the canal cruise will start. Board a motor boat and join us on a cruise along some of Stockholm’s waterways and canals, enjoying the serene beauty as you enjoy the city from a new perspective, admiring the elegant architecture, parks and wide, tree-lined boulevards.

Note : limited seats. No guide service foreseen ; information will be given by an audio-system. This tour is not advised to Guests in a wheelchair.

SKT03 - DROTTNINGHOLM PALACE & PANORAMIC OF STOCKHOLM (3,5 hours)

Our excursion starts in Fjällgatan from where you can enjoy beautiful views over Stockholm and the harbour. Reach the old town for a guided walk along cobbled streets before heading to the bus and driving to Drottningholm Palace. The XVI century Palace was destroyed by fire in 1661 and later rebuilt in a Baroque style. We will drive back to Stockholm passing in front of the City Hall where the Nobel Prize ceremonies are held.

Note : the transfer to Drottningholm takes about 1 hour ; this tour includes walking on uneven ground so it is not advised to Guests with mobility problems or in a wheelchair.

SKT05 - ONE DAY IN THE SWEDISH CAPITAL (approximate 6 hours with no lunch)

Your excursion will begin with a visit to the City Hall, a magnificent fortress-like building that has become the symbol of Stockholm ; it is here that the annual banquet takes place following the presentation of the Nobel Prize. Walk through the opulent rooms and you are sure to be struck by the grandeur and enormity of the impressive Blue and Golden Halls. Our day trip continues with a visit to some of the rooms in the Royal Palace, from where the King of Sweden currently conducts his royal duties. An homage to the Baroque architectural style, the Royal Palace is a huge compound of buildings set on a hill in the old town and boasts no fewer than 608 rooms. After sightseeing we will walk around the old town before having time at leisure to shop or have lunch on your own. Our outing also includes a visit to Vasa Museum built during the XVII century and which houses a Swedish warship which sank in Stockholm's harbour on her maiden voyage in 1628. The vessel was discovered in 1956 and raised from the seabed in 1961.

Note : the visit to the Royal Palace can be changed / limited to some rooms in case of official visits on the day of call even with no advice. This tour includes walking on cobblestone streets and there are steps in the Royal Palace so it is not advised to Guests experiencing mobility problems or in a wheelchair. Lunch is not included in the excursion and is at the guests' expenses.

SKT06 - COSY STOCKHOLM AND THE FABULOUS ICEBAR (3 hours)

“Gamla Stan”, Stockholm’s old quarter will be the starting point of our sightseeing tour where we will enjoy a pleasant guided walk through the narrow cobble-stone streets and alleyways. These historic streets have preserved their ancient air and one could also imagine being back in medieval times. Our guide will point out the main sites and squares. Continue to the Nordic Sea Hotel, in the heart of the city, for a unique experience of drinking from a frozen cup; we will visit the famous Icebar. Highly fashionable, the interior is made of glass and the temperature is never raised above – 5°. The excursion will also include 30-minute sightseeing tour for an overview of this lovely Swedish city.

Note : limited seats. The excursion is not recommended to children under 6 years old because the temperature inside the Ice Bar is always kept below 0° This tour is not advised to Guests with mobility problems or in a wheelchair as walking on uneven ground is foreseen.

SKT07 - VASA MUSEUM & SKANSEN OPEN AIR MUSEUM (approximate 4 hours)

Enjoy a scenic drive to the old town; journey back hundreds of years as you visit the most charming island in Stockholm, the old district of the city known as “Gamla Stan”. Enjoy a sightseeing tour through narrow, cobbled streets and down winding alleys overlooked by soaring church spires and populated with boutique shops and homes dating from the XVI century. Transfer to the Vasa Museum built during the XVII century and which houses a Swedish warship that sank in Stockholm's harbour on her maiden voyage in 1628. The vessel was discovered in 1956 and raised from the seabed in 1961. Our excursion continues with a short visit around Skansen Open Air Museum and Zoo, the world’s oldest open air museum. Built to depict Swedish life and with replicas of traditional Swedish buildings, children will enjoy seeing the friendly, wild animals whilst you get a taste of traditional customs and life in this country. Return to the port.

Note : this tour is not advised to Guests with mobility problems or in a wheelchair as long walking on uneven ground is foreseen.
